

NEW BONDWAY

London

NEXT STEPS

Thank you for visiting the exhibition. We remain committed to consultation with local residents and the community. Should you wish to be kept informed on the proposals, we would be grateful if you could take a few moments to leave your details and any comments you may have.

The exhibition boards on show today are available on our website www.newbondway.co.uk The website will also include updates as the project progresses.

Having submitted a planning application to LB Lambeth this month, we would aim to start construction work in 2015 with completion some time in 2018, subject to planning consent.

The planning application is available to view and comment on via Lambeth Council's website: <http://www.lambeth.gov.uk/planning-and-building-control>
The planning application number is: 14/00601/FUL
